- ✓ Accept 'See Green,Go green Concept'

7.5 Whether environmental audit was conducted ? Yes No

7.6 Any other relevant information the institution wishes to add. (For example SWOT Analysis)

SWOC ANALYSIS

STRENGTHS :

LOCATION CONVENIENT TO COMMUTERS:

- Income-tax area on Ashram Road enjoys very good road transport connectivity with all the parts of the city of Ahmedabad as well as with North Gujarat. The location offers easy access to students commuting from distant places.

TRANSPARENCY IN ADMISSIONS, APPOINTMENTS AND ADMINISTRATION:

- Admissions are on Academic merit only.
- Appointments are done strictly in compliance with Govt. & University rules.
- Academic Calendar is strictly followed.
- Student and staff related circulars and policies are communicated and implemented within time frame.

ETHICAL APPROACH:

- University and Govt. rules and regulations are complied with in True Spirit.
- Permanent provisions for internal and external audits of accounts.
- Examinations are conducted in very good discipline.
- Devotion and dedication of staff and enthusiasm of students result in campus harmony, smooth and effective conduct of curricular and co-curricular activities and better performance in University examinations.
- From time to time, the Management reviews Student–Aid schemes to cover larger sections of needy students.

WEAKNESSES :

SPACE CRUNCH:

- On account of FSI Rules applicable at the time of construction of the college building, we are compelled to compromise with our requirement of space / rooms for curricular and co – curricular activities.
- Size of plot premises doesn't permit playground and as an alternate we have to compromise under arrangements with Gujarat Vidyapith and Gujarat University.

AFFILIATION AND RECOGNITION OBLIGATIONS:

- Under affiliation conditions, we are obliged to comply with the syllabus and examination pattern laid down by Gujarat University. This curtails our liberty for tailor–made teaching & testing experiments to maximum benefits of learners.
- Under instructions of Gujarat University, classroom strength remains between 125 to150. This adversely affects qualitative classroom teaching.
- Recruitment policy of State Government offering fixed wages which are quite inferior to the prevailing pay scales makes it difficult to attract and retain talent.
- Unusual delay in recruitment forces the Management to employ staff on visiting bases resulting into financial burden on Management, instability of staff and

dilution in quality.

INCONSISTENCY IN PTA & ALUMNI TIE-UP:

- Busy family and work schedules, make it difficult for members of PTA & Alumni to consistent communication with the institution. They do express their feelings for the institution but find it difficult to stay consistently connected.

OPPORTUNITIES :

ENHANCEMENT OF FSI STANDARDS:

- Recent review of FSI limit has enhanced standards and the present building can be expanded to required curricular and co-curricular purposes.
- Once the problem of space crunch is solved, we will be able to attend to needs for Add-on courses, UGC sponsored courses and other professional courses.

POPULARITY OF COMMERCE FACULTY:

- In the growth oriented economy, commerce students find wide acceptance in society as well as in professional fields and the institution will have a promised opportunity to maximum utility of its efforts to sharpen skills related to the world of Trade & Commerce.

CHALLENGES:

DROPPING STUDENT: TEACHER RATIO

- Recruitment parameters complied by the Govt. and classroom intake parameters complied by the university hamper Student: Teacher Ratio.

FUND CRUNCH: SELF FINANCED V/S GRANT – IN – AID COLLEGES:

- Whereas the upcoming self financed colleges are free to charge fees at commercial rates, the grant-in-aid colleges are obliged to collect fees in structured-form designated by Govt. This situation facilitates financial freedom to self finance colleges but leaves grant-in-aid colleges to survive on comparatively meager funds reimbursed in the form of maintenance grant from State Govt.

TWO TS AGAINST CLASSROOM ATTENDANCE AND RELEVANCE OF TEACHERS

- Tuition classes pose a threat to classroom attendance and Technological tools like internet pose a threat to relevance of teachers. Teachers' role as an Ambassador of Culture is moving to a question mark with increased impact of **Two 'T's'** which spread a gross misconception among students on **Classroom Attendance and Relevance of Teachers.**

8. Plans of institution for next year

- ✓ To start e-journal (Bi – Annual)
- ✓ Civil defense services/Training
- ✓ Counseling for further /Abroad studies
- ✓ Arranging a seminar/Conference of national level
- ✓ Arranging lecture series for the students and staff members.
- ✓ Arranging various and more placement and campus interviews.
- ✓ Arranging programmes on environment such as visit to the environment centers, lecture series, etc.
- ✓ Organizing various extension activities.
- ✓ Live mock /program of disaster management

ANNEXURE-II

BEST PRACTICES: I

Title of the I practice :

‘Hard-Core Approach to Gain and Maintain Confidence of Stakeholders in the institution’

Goal :

- To retain strong-footing in the competitive field of Higher Education in the city.
- To keep-up utmost confidence in the minds of stakeholders.
- To establish good cultural background.
- To increase the level of social and professional acceptance of our students in society and at work places.
- To be in concurrence with the changing trends in the field of Higher Education.

The context :

- In designing and implementation of the above practice, we try to address the issues in the following contexts.
- We clearly understand that we have to safe-guard the ‘BRAND VALUE’ of 'Navgujarat Group of Colleges which has been serving the cause of Higher Education in the city for nearly last five decades.
- The age group of our students can better be oriented to sincerity and value based life with proper exposure.
- Trust of all the stakeholders can be comfortably won through transparency in administration at all levels.
- The class room teaching is learner oriented and result giving.

The practice :

- To implement the policy of transparency in administration, the college takes - care of its in admissions, recruitment, examinations and utilization of 'Government Grants'.
- Admissions of Students are purely on merit basis; even the management quota is converted in to open merit.
- Recruitment of staff is done strictly in adherence to the prevailing policies of the State Government and University.
- So far as internal examinations are concerned, from setting of question papers, sitting arrangement, class room invigilation, assessment, reassessment to declaration of results, we maintain very high level of confidence and transparency.
- The college management keeps close watch on utilization of Government grants and gets all the accounts audited internally as well as by Government designated authority.
- The college invites experts on various subjects for guidance to students as well as faculty members.
- Faculty members as well as students are motivated to participate in seminars, conferences sports-meets etc organized at different institutions.
- Regular meetings with Alumni and Parent Teachers Association. (PTA)
- At the beginning of the day we conduct mass-prayer.
- All the important national days are celebrated on the college campus.
- NSS unit of the college keeps on contributing its mite in developing attitude to

social service among students.

Constraints or limitations in implementation of this practice :

- Transparency in admissions exposes us to resist local political pressure.
- Recruitment of required staff gets defeated due-to the staff Government policy of giving No Sanctions for new posts.
- The college management is forced to generate its own financial resources for teaching and testing routine tasks.

Evidence of success :

- Noon-Commerce colleges in the city are exposed to scarcity of students on account of noon-time as well as popularity of self-finance colleges. We get positive attestation of our academic efforts in the way of about 2500 applications which we receive against 500 seats for intake in the first year/semester.
- College results are always much more higher than the university results with quite a large number students scoring first class, inspite of 90% of our students are cases of change of medium of instruction from Gujarati to English medium.
- The college enjoys exemplary level of discipline in routine teaching work as well as at celebration of mass-events

Problems Encountered and Resources Required :

- The college encounters severe short supply of full-time regular staff for teaching as well as administrative tasks because of Government policy/ As a result, we have to depend upon visiting staff both for teaching and administrative work. This staff is not consistent and some - times even not up to the mark.
- Since this is a Grant-in-aid college, we are not free to cross the fees-collection criteria stipulated by the Government. Whereas a self-finance college is free to collect Rs. 5,000=00 per semester, we can collect only Rs. 235=00. In the situation when the college management has to bear expenses of payment to visiting faculty for teaching and assessment as well as for charges of class-room supervisors in internal tests, this limitations of rate of fees leads to college to extra financial burden.
- We look forward to sanction of recruitment as well as financial support from the exchequer.

BEST PRACTICE: II

Title of the II practice:

‘Soft - Touch Approach to Strengthen Sentimental Bond among Stakeholders’

Goal :

- To maintain smooth relations with students, staff, Alumni, PTA, Uni, and Government.
- All efforts for this to be oriented to keep all the agencies / stakeholders selfcharged or self-motivated.
- To inculcate a "**Sense of Belonging**" to the institution among stakeholders.

Context :

- In designing and implementing this practice we make efforts to set temperament of "**WIN-WIN Situation**" gaining popularity in the modern system of administration. The institution understands the importance of sentimental bond during and after accomplishment of the targeted tasks.

The practice:

- All the levels of administration on the institution sincerely comply with the directives, instructions or policies of the affiliating university as well as state Govt.'s Higher Education Department and UGC in true spirit and due regards.
- The college staff handles issues of students, parents and alumni with positive and soft treatment.
- The college management takes care of proper supply and maintenance of infrastructural facilities.
- The college management gives necessary finance for various welfare schemes **like** – peon welfare funds.
 - ✓ Help to child of widow mother.
 - ✓ Economic support, Book Bank facility,
 - ✓ Scholarship to Muslim girls.
 - ✓ Social image building activities.
 - ✓ Helping hand offered –
 - ✓ Interest free advance to students from vulnerable section of society who want to pursue study abroad
 - ✓ One day open house seminar on 'Career Opportunities after' XII.

Evidence of success:

- During forty four years of our presence in the field of Higher Education, there is not a single event of conflict with University or Government authorities and also there are '**No. Court-Cases**' against the institution. The college enjoys the status of "**Zero Grievance**" with any stakeholders whatsoever.
- Good level of discipline of students in the college campus stands in testimony that they find the college a "**TRUE FACILITATION CENTRE**" inspite of little limitations.
- With the present-staff, the college celebrates' "**NAVGUJARAT PARIVARSNEH MILAN**" in which all from peon to principal participate in informal mood and enjoy.
- With the retired staff the college; (**Navgujarat College Senior Citizen's Club**) celebrates a number of informal get-to-gather of all from peon-to- principal with spouse at different locations

Problems Encountered and Resources Required:

- We proudly note that all such get-to-gather and events of sentimental bonding are sponsored under blank-cheque support temperament of the parent trust, we find total enthusiastic support from all the stakeholders and there is always absence of any problem or financial crunch.
